# OUR HISTORY

“ creative, customer centric & collaborative ”

1998 -

2012 -

The eminence of the group began as the dream of one man transformed into the dream of many.

Pinnacle, as the name suggests, means "Peak of the Mountain", was the vision of Mr. Gulshan Bakhtiani & Dr. (Mrs.) Anita Bakhtiani which was incorporated in 1998, to achieve leadership through quality health care products and world class services. They recognized the importance to become more creative, customer centric and collaborative, thereby, adopted a response driven strategy by assessing response from the doctors, wholesalers, retailers and representatives in local markets.

The management of any organization plays a key role in the brand building process, thus resulting in its stability and longevity. The promoters of our group have been in this field since 1998. Our group's Director Mr. Gulshan Bakhtiani, is the senior most leader having vast knowledge and experience in the pharmaceutical sector. His main work is to focus on major financial, strategic and operational decisions of the company. Dr. Anita Bakhtiani by profession doctor associated with business to make the vision and dreams come true.
